GREGOR GROUP
THINK INNOVATION

ENVIRONMENTAL POLICY

1. OVERVIEW

GREGOR GROUP (PTY) Ltd strives to be a leader in environmental sustainability and believes that a successful future for our business and the customers we serve depends on the sustainability of the environment, communities and economies in which we operate.

As a responsible corporate citizen, we bear a responsibility to consider the impacts of our actions and how they affect the environment both directly in terms of our own operations, and indirectly through our purchasing decisions, the products and services we offer to our customers and the business opportunities we peruse.

We are committed to minimizing the impact of our operations on the environment and to demonstrating leadership by integrating environmental considerations into all our business practices.

2. SCOPE

The requirements of this policy apply to all entities and employees of GREGOR GROUP (PTY) Ltd.

Although this policy applies to all entities and employees, the primary audience for this policy is those responsible for the implementation, namely the business line leaders and local management of each entity of the company.

3. COMMITMENT FROM GREGOR GROUP (PTY) Ltd

We want our products, services and production to be part of a sustainable society. We are committed to:

- Environmental Commitments

Protect the environment

- GREGOR GROUP (PTY) Ltd will protect the environment, including preventing pollution, through responsible management of our operations;
- Will give appropriate weight to this environmental policy when making future planning and investment decisions;
- Will design products to reduce their adverse environmental impact in production, use and disposal;
- Will reduce resource consumption, waste and pollution in our operations;

COMPLIANCE

- GREGOR GROUP (PTY) Ltd will comply with, or exceed, our environmental obligations, including taking a proactive approach regarding environmental legislation that affects our business.

Teddy Mosiane
Managing Director
